FOREWORD

Identity, a necessity in this stage of transition, is largely attained through each student's relationship to his school.

Life at Central is . . . crowded halls . . . "Battlecry" . . . algebra . . . homecoming dances . . . term papers . . . COE . . . clubs . . . chemistry lab . . . home games . . . marching band . . . achievement tests . . . driver's ed . . . stage productions . . . PE classes . . . 3:17 . . .

Participation in this life helps each individual establish his own identity.

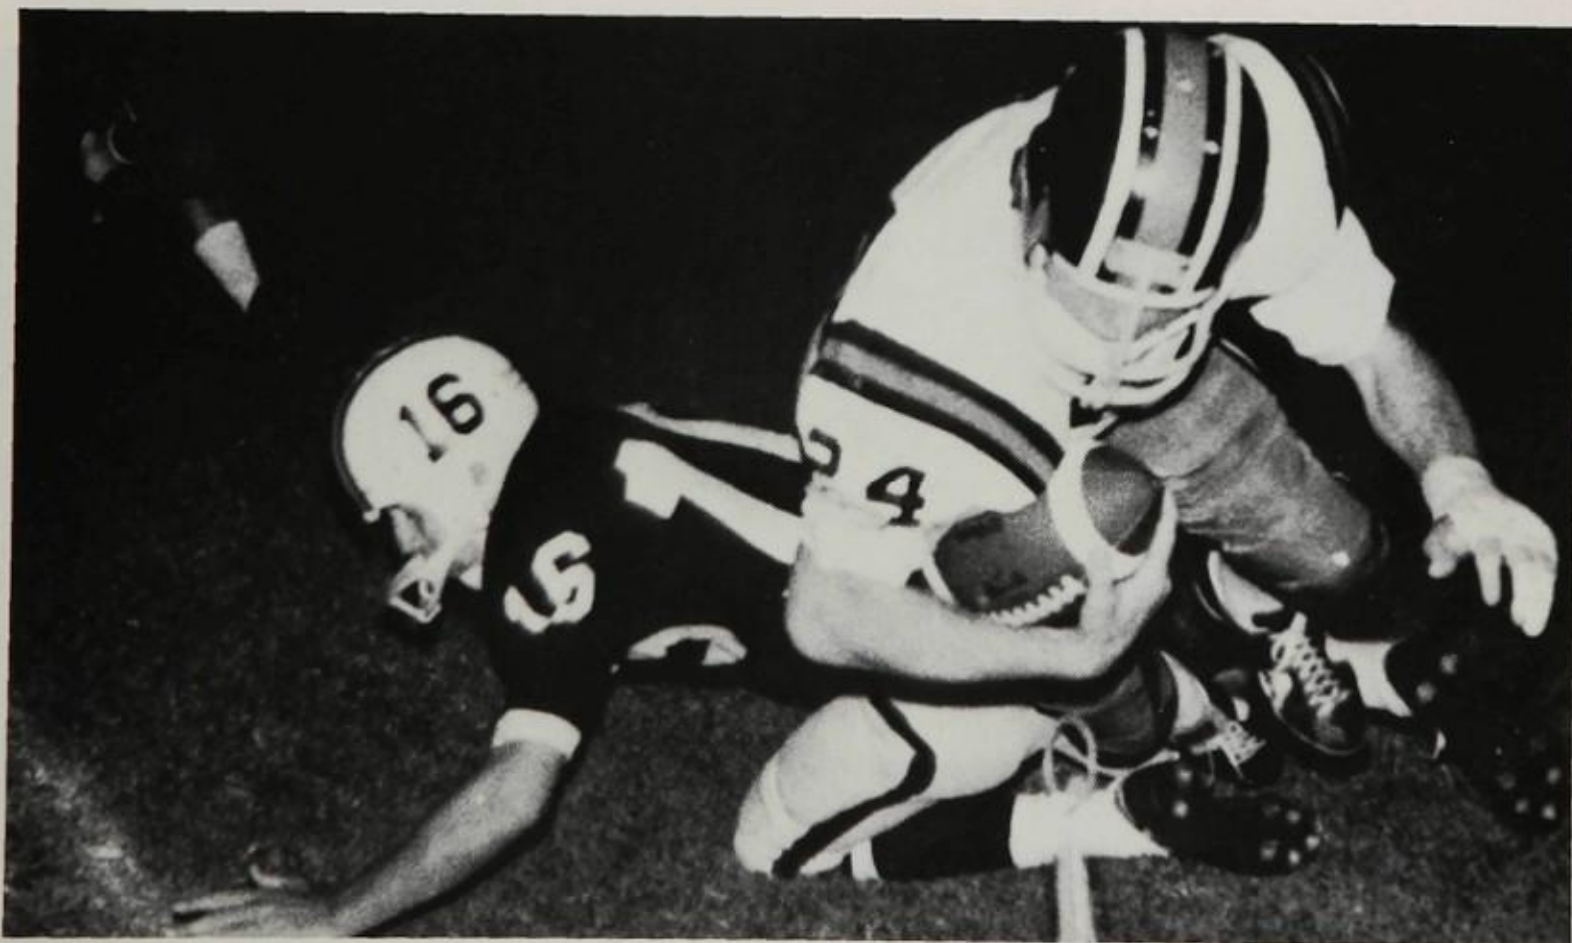

Christy -
You're a crazy,

1969 GIRARDOT DANCE

Tossing coins in a fountain became a reality for Centralites January 25, as they attended the Girardot Dance held at the Arena. Amidst an elegant Roman setting, Miss Deanna Miller was crowned 1969 Girardot Queen by the retiring queen, Miss Brenda Siebert.

The Girardot Staff chose the candidates from Senior girls who had served a minimum of two years on either the literary or business staff. Following a presentation of the candidates at an all-school assembly, the student body voted on the queen.

TRACK'S RECORD-BREAKING YEAR

Voted "Most Inspirational Athlete", Co-Captain Alvin Miller tied the 120 yard high hurdle record, and entered the record-book with a triple jump of 45 feet, and the 880 yard relay team, comprised of Miller, the Mitten brothers, and Tim Pensel, set a mark of 1 minute 31.2 seconds. Co-Captain Eric "Red" Ebaugh and the 2 mile relay team shattered previous records with a time of 8 minutes 13.8 seconds.

Only once downed in dual and triangular contests, the cindermen also chalked up three 4th placings, one 3rd, and one 2nd in the larger meets.

The Jay Vee thinclads excelled by breaking five and tying one J.V. record.

Coach Meyr departed but he left behind an energetic, experienced squad with bright prospects for the future.

Captain Gene Helton surprised a great many high school golfers when he walked away with 3rd place in the State meet. He also provided much of the strength that enabled the team to acquire the 3rd best standing in the District.

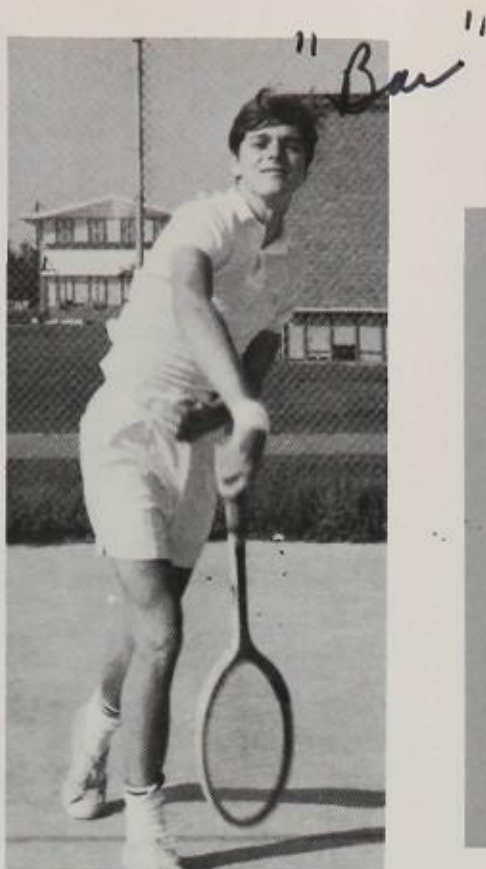

Under the direction of Coach Payne Muir, the Junior Varsity won 5 and lost 2.

Coach Howard Garrett got the tennis squad off to a running start through a new training program. Nothing but victory characterized a season that brought the District Championship to Don Bukstein in singles and Barry Malahy and Stephen Limbaugh in doubles.

DISAPPOINTMENT AT DISTRICT

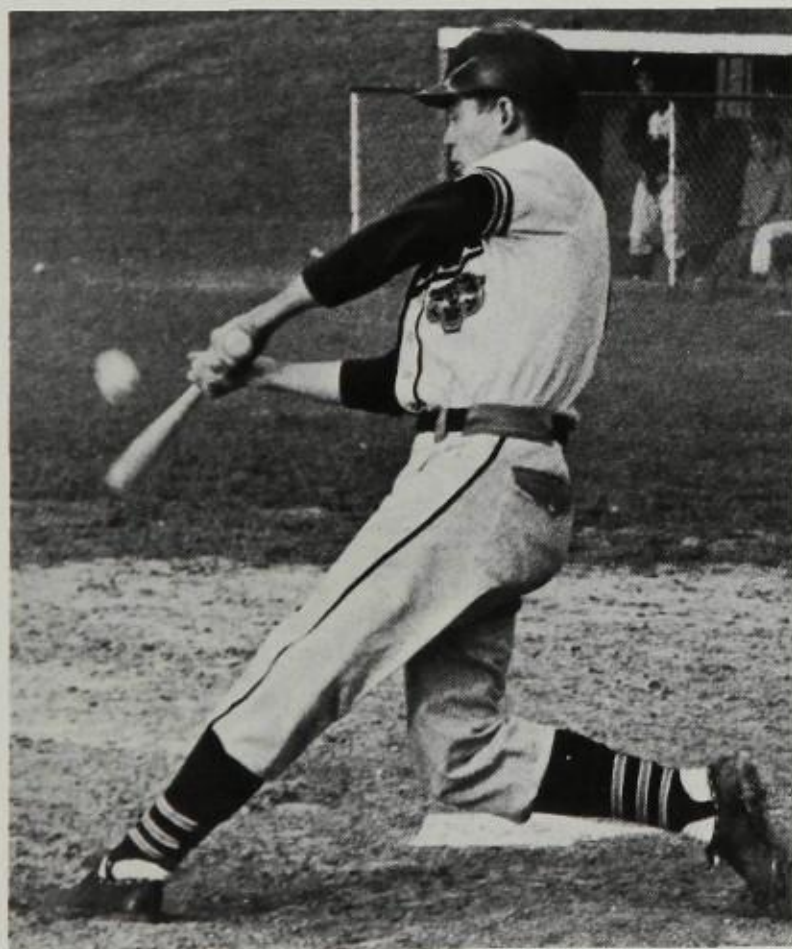

Coach Leon Brinkopf and his proteges lost only twice in the regular season and allowed their opponents a scant average of 2.2 runs per contest. It came as a real shock to see Jackson edge out the Tigers by one run in the district battle.

Ace hurlers Pat Godwin and Craig Valle shared an e.r.a. of .046 and an overall record of 9 wins and 1 loss.

In the batting department David Proctor led with 42 hits and a .333 average and Pat Godwin slugged out 41 hits and a .314 average. Right behind were Terry Narsh and Randy Farmer with 11 and 10 R.B.I.'s respectively.

All-Conference honors went to Pat and Kim Godwin. Proctor and Terry Kitchen were placed on the 2nd team, while Farmer and Valle received Honorable Mentions.

T. Lance Brune

The player, Lance Brune. The coach, Coach "Brink".

After last year's season, many felt that the Tigers of '69 could not match the record of the "Soul Patrol" of '68. Twelve returning lettermen were determined to prove how wrong some people can be. By mid-season the Tigers were rated by the *St. Louis Post-Dispatch* as the second best squad in Missouri.

The season's opener came as a double shock; the Carbondale Terriers learned the hard way that the Tiger's bite is even worse than its roar, and secondly, everyone at the game was stunned when the last ten seconds brought a fumble and disaster as a Terrier lineman dashed across the goal. If this loss had been averted, the Tigers would have been eligible to compete for the State championship under the new M.S.H.S.A.A. point system.

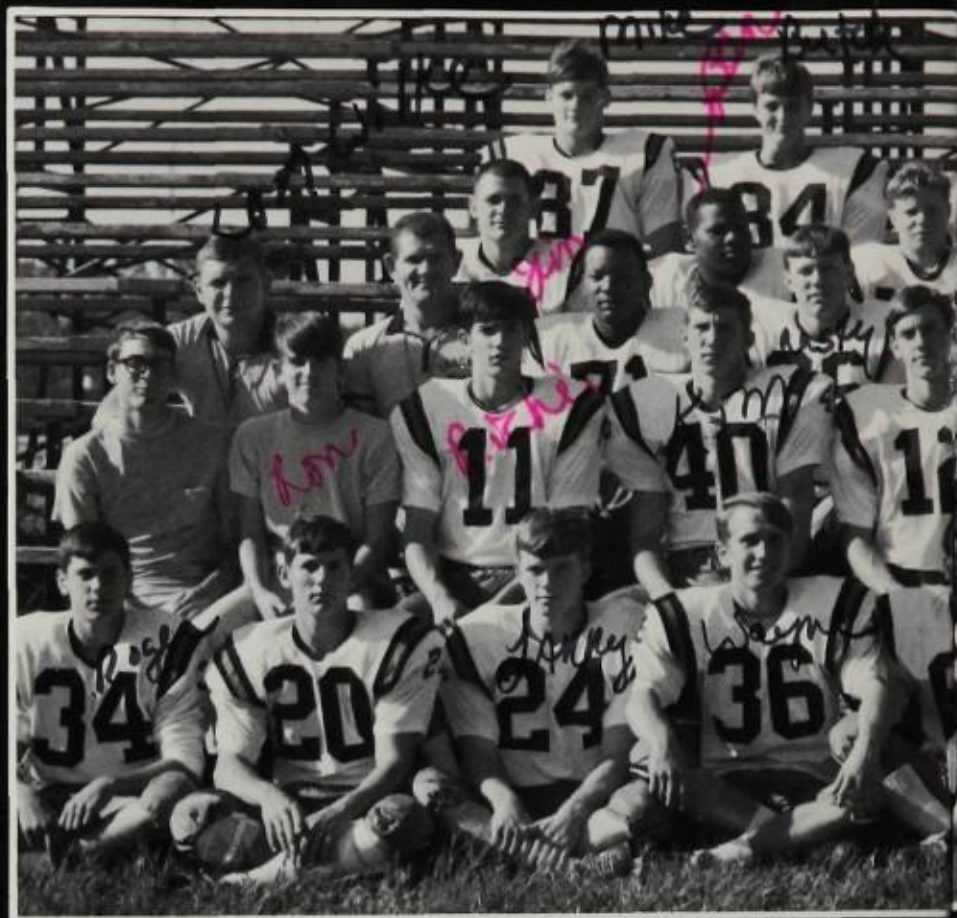

The gridiron Bengals proved their strength throughout the remainder of the season by leaving four teams scoreless.

However, tragedy befell the Tigers at the end of October when Sikeston played their best game and defeated Central.

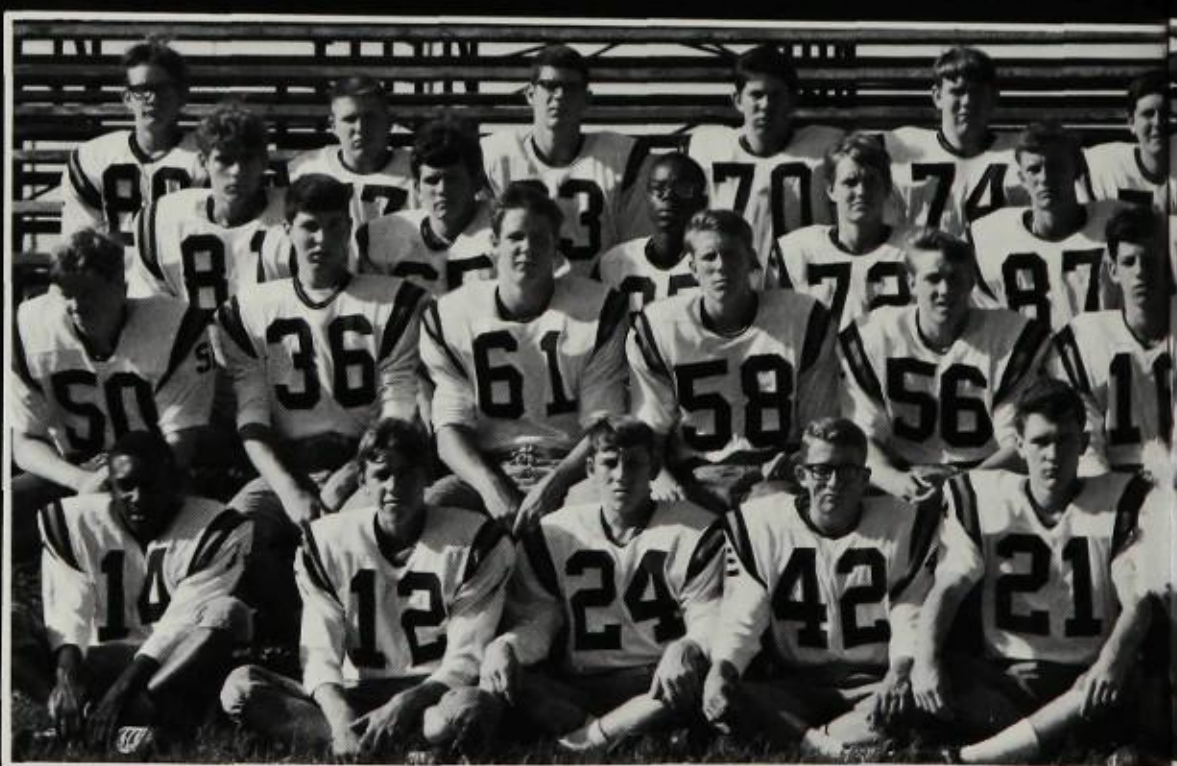

In the final game of the season, the Tigers routed the Perryville Pirates who went on to become Class 3A Champions.

Eighteen returning lettermen and several promising sophomores will be on hand next year to spark victory.

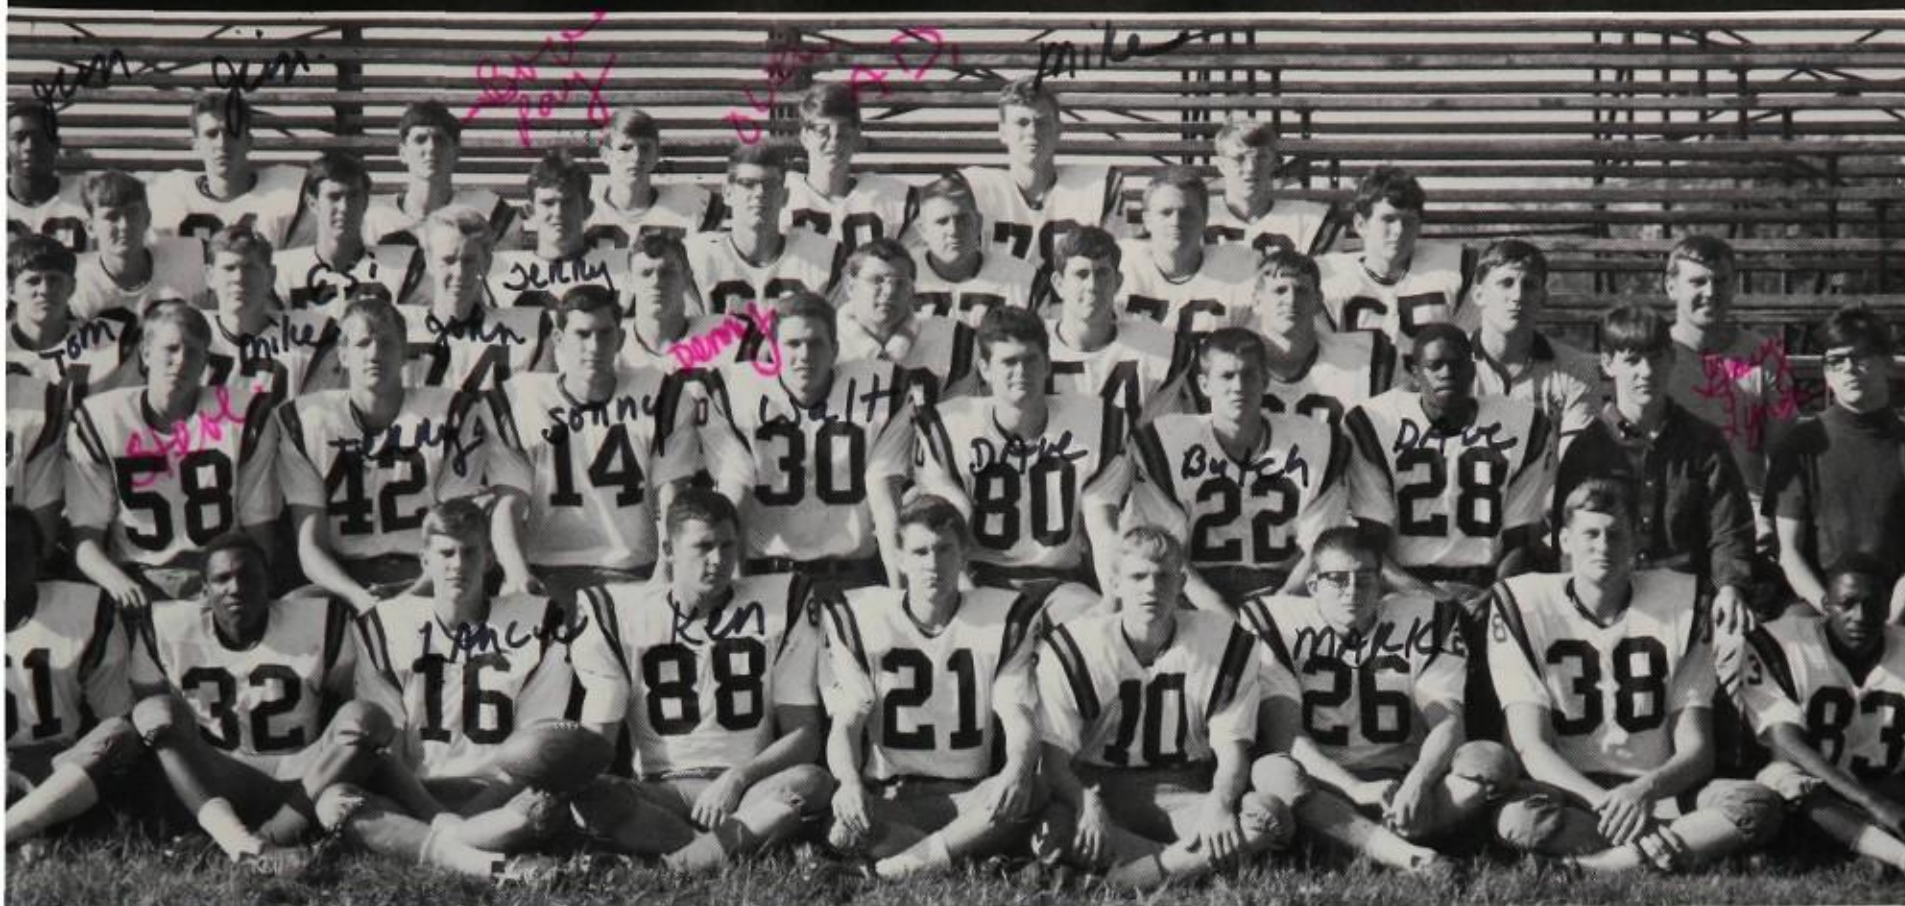

In Coach Lon Wilke's first year as head of the team, his squad was tri-conference champion and rated highly in many of the newspaper polls. With the experience of one year at the helm under his belt, Coach Wilke hopes for a crack at the state title next year. Definitely, the Wilke "era" has started in Southeast Missouri.

CENTRAL DOMINATES ALL-CONFERENCE

Clockwise from lower right: Tom Bridges, Rusty Mitten, Terry Kitchen, Kenny Kirk, Kim Godwin, Terry Rhymer, Bob Jackson, Truman Waldrup.

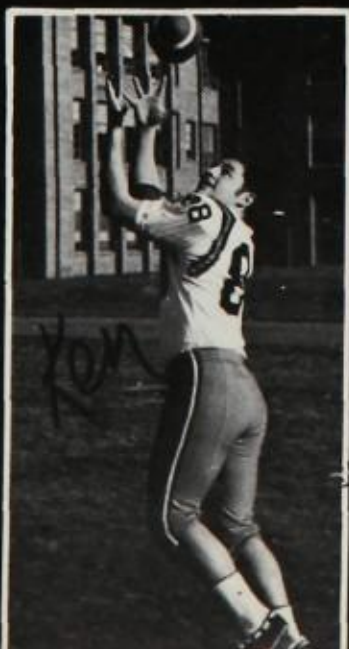

The Tiger's "Big Eight" dominated the all-conference first team. Rusty Mitten, offensive tackle, Tom Bridges, offensive guard, and Bob Jackson, offensive center, provided the quarterback with ample protection, while Ken Kirk, offensive end, confused many defensive backs with elusive pass patterns.

End "Butch" Waldrup, halfback, Terry Kitchen, and middle guard, Terry Rhymer, constituted an impenetrable defense, built around aggressive linebacker, Kim Godwin. Kim was selected as one of the four best defensive players in the state.

Second team selections were Blake Esicar, linebacker; Benny Johnson, tackle; David Vann, end; Walter Matthews, halfback; and Larry Bickings, tailback.

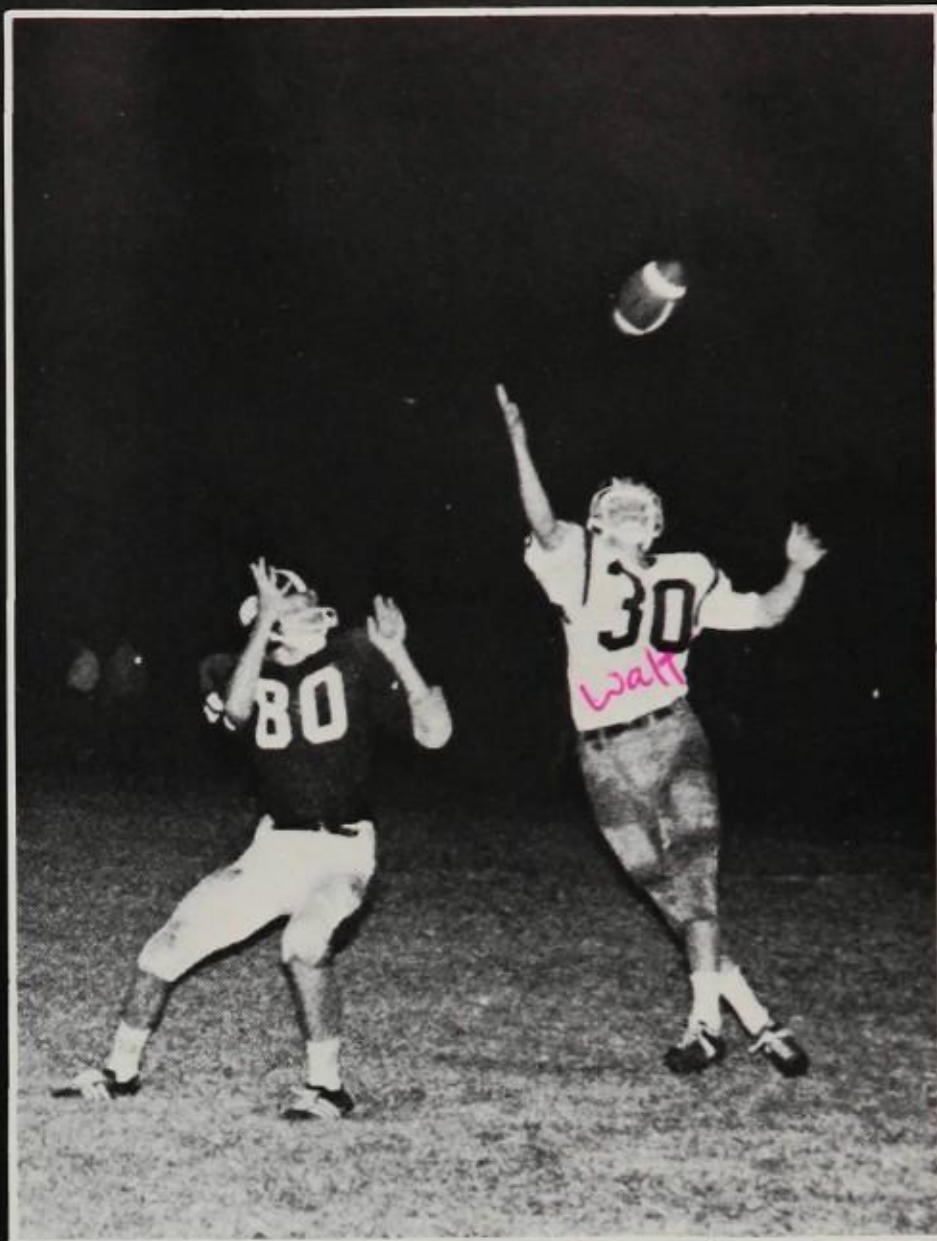

Ron Conner, Mark Kasten, Lance Brune, Richard Mitten, Dennis Bertrand, Eugene Holloway, Mike Stevens, Larry Ross, and Ross Conner received honorable mentions.

The 1968 Football Homecoming climaxed Tiger Spirit Week. Centralites expressed confidence in their team by record attendance at the game. The Tigers came through by scalping the Kennett Indians 28-0.

The exuberance of victory lent an electric atmosphere to the homecoming dance—keyed to the theme "From Goal to Goal". The radiant queen Miss Jo Campbell was chosen by the gridiron squad, and her court consisted of Miss Tara Kaiser, Miss Jane McGinty, Miss Donna Ray, and Miss Jan Seabaugh.

CROSS COUNTRY TOPS DISTRICT

"Garrett's Gorillas" showed the strength and depth of the previous year by reclaiming the number one position in the conference. Carl Wilson's heels became a familiar sight to his opponents, and he set a school record of 9 minutes and 48 seconds at the District Meet. The season resulted in seven 1st places and 16th place at the State Meet. The junior varsity rarely failed to make the opposition bite the dust. Coach Garrett will have only a few of the runners back next year, and the Tigers will have the mammoth task of living up to a fine record.

MATMEN DISPLAY NEW STRENGTH

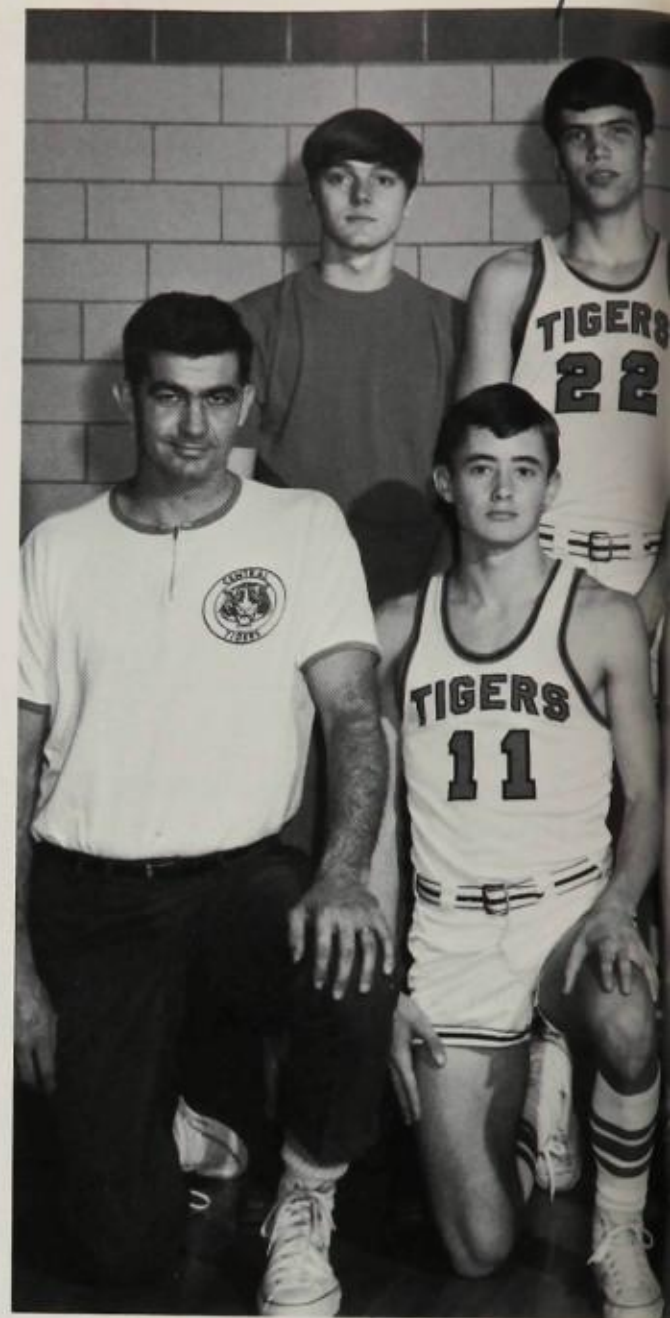

Tom Bridges works on his opponent for the pin.

Since wrestling began as an interscholastic sport at Central in 1967, the efforts of the team have become increasingly more fruitful just as the number of spectators has grown. Co-captains Tom Bridges and Gary Roll led a spirited group of grapplers through a hard-fought season that was climaxed with the winning of second place at the District Meet. Eddie Connor, Bob Buster, Tom Bridges, Larry Ross, and Don Pigg represented Central at the Melville Regional Tournament, and Bob Buster qualified to participate in the State Meet.

BASKETBALL TEAMS SHOW SPIRIT

In coach Garrett's second year at Central, the Tigers had a 4—3, win-loss conference record and tied with Jackson for second place. The Bengal's first night of tournament play was lost to Jackson.

If there was any high point in the season, it was possibly the win against the conference favorite, the Sikeston Bulldogs.

Fred Pulley's sophomores dominated the conference in Junior Varsity play. An impressive 15 wins highlighted a season of aggressive ball-handling.

In the lighter moments of the season, such as the game with Bloomfield, coach Garrett would give the regulars a rest while the infamous "Goog Pa-

trol" took to the court. The audience reaction was always enthusiastic, and though some might underestimate their performance, they deserve nothing but praise for patiently backing up the starting squad.

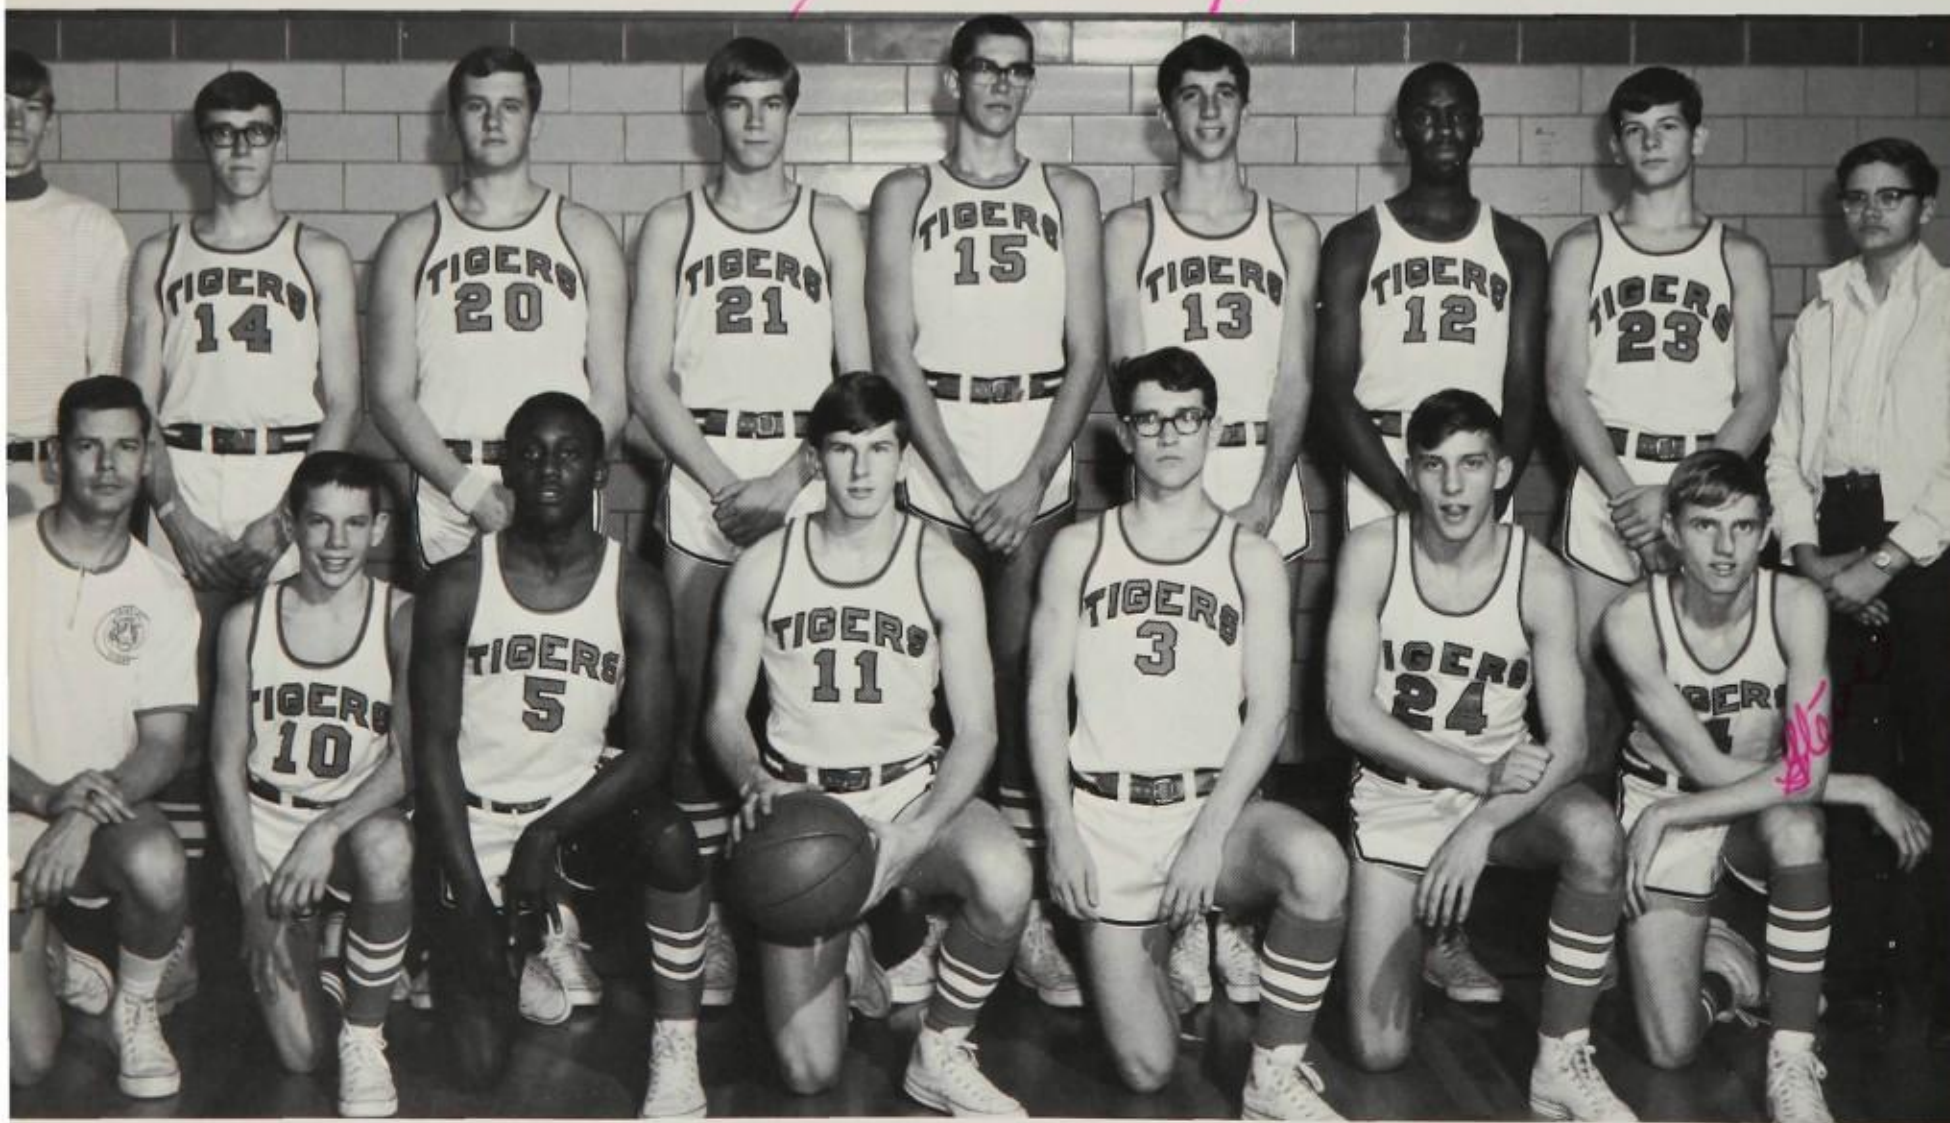

This year coach Garrett was plagued by a lack of height and experience. Next year six returning lettermen will help alleviate this problem. The potential of next year's team goes beyond the conference.

Though the Tigers barely broke even on wins and losses, every game was hard fought and every point was well-earned.

Junior Varsity celebrates a victory.

TARA KAISER, 1969 BASKETBALL QUEEN

The 1969 Basketball Homecoming will be hard for most Centralites to forget. This season was memorable for spirit posters, paper Tigers pinned on shirts and blouses, "Attention Tigerettes" on the intercom, and pep assembly "Battlecries".

Although the game on February 7 ended in a heart-breaking defeat, the feeling of sadness was soon lost in the gaiety of the Basketball Dance held the

following evening. The theme "Our Hearts Were With Them" expressed the sentiment of students toward their team. Miss Tara Kaiser was crowned Basketball Queen by her escort Lance Brune. Her court consisted of Donna Hartle, Beth Ross, and Jan Seabaugh escorted by Steve Henry, Dave Scherer, and Tim Hahn.

INTRAMURALS BEGIN

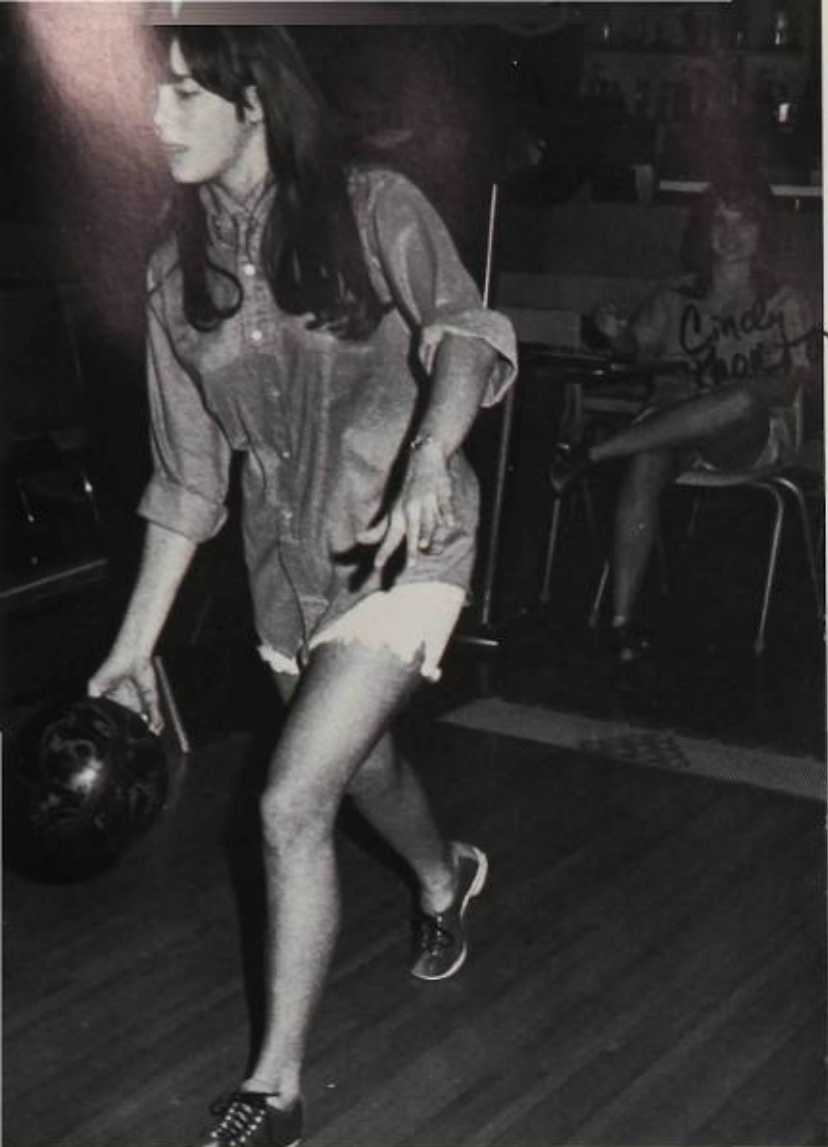

Intramurals at Central this year were really on the go! Girls seeking further fun and exercise outside of gym class may participate in a variety of sports: basketball, volleyball, softball, tennis, archery, bowling, and physical fitness. Sponsors for these activities were Mrs. Sander and Miss Towse.

Boys' Basketball Intramurals involved 109 boys this year. Meeting for six Saturdays with four games each week from 8-12, coaches Goggin and Pulley led the eight teams through a close season.

Left, Walter Matthews goes up for the two-pointer. Right, Mary Ann Carlton follows through on a perfect serve.

Central's Marching Band has its season in the fall. One of the highlights of this year's season was the Band Festival in Jackson. They also traveled to Charleston to provide half-time entertainment at the Cape-Charleston football game. Due to the hard work of Mr. Ewing, the Drum Majors, the Majorettes, and each member of the band, the 1968 Marching Band performed with precision and excellence.

MUSIC IS FOR EVERYONE

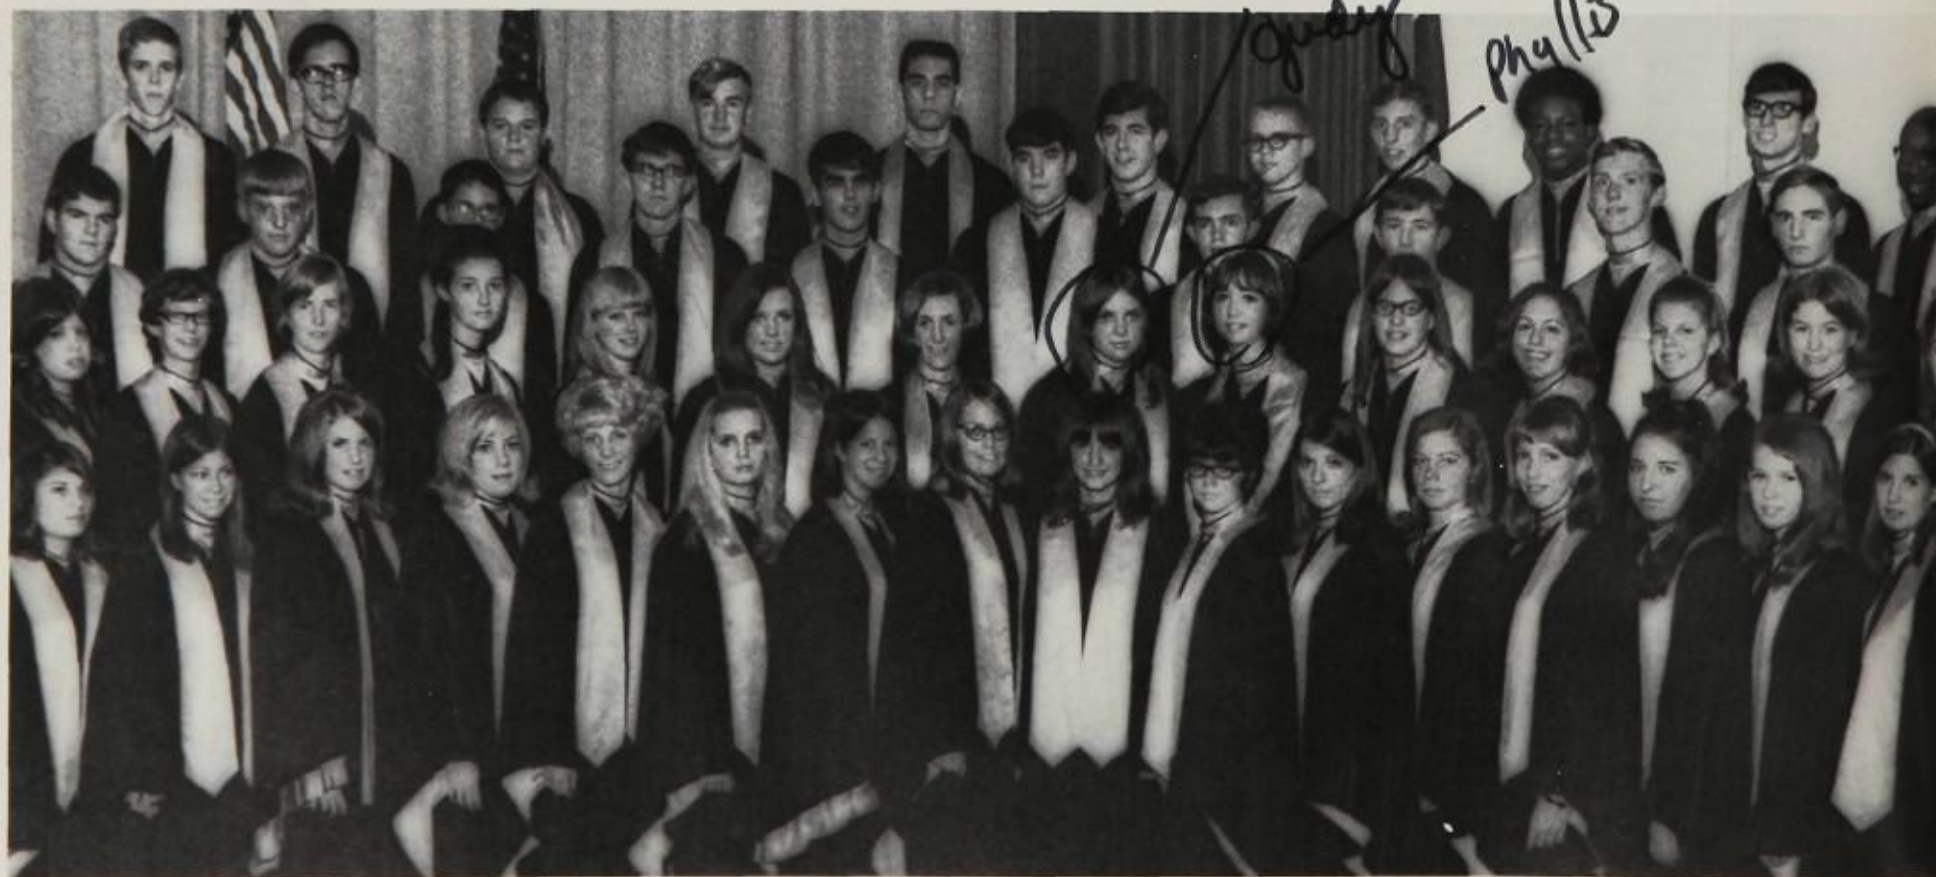

There are eight different singing groups at Central. Diligent practice resulted in excellent performances as the Chamber Choir, Girls' Glee Club, and Boys' Glee Club sang for school programs. This year the Chamber Choir had the honor of singing for the dedication of the new Federal Building.

Stage Choir sings for civic and business organizations. Two groups which traveled with the Stage Choir this year were the Girls' Sextet and the Men's Quartet. These two groups often combined to form a folk-singing group, the Troubadors.

With a motto of "Unity in Central High", Student Council led the way to greater achievement through student involvement. The new Tiger Den was furnished with a record player, lounge chairs, and pictures.

The Annual Canned Food Drive set new records in recent Central history. Other activities were the Back-to-School Dance, Handbook sales, Activity Week, a mock election, and the Student Council

movie, a melodrama written, filmed and produced by Central students.

The bandroom meeting place provided an excellent atmosphere for the improved policies and procedures adopted by the Council. Leaders of this student governing body were 1st semester President David Crowe, 2nd semester President Rusty Mitten, and Mr. Lanny Barnes, sponsor.

Crowe Calls Press Conference

First press conference in history. Student Body David Crowe spoke to a group of TIGER reporters about "the new Student Profile" for 1968-69. The profile, held Sept. 9, in the auditorium, was called by Crowe to outline some of his plans for the coming year.

One of these is the idea of a student election, to be held prior to the Nov. 5 election. Voting booths would be set up in designated areas, and students desired could vote on all positions. Especially, Crowe would be comparing this with Kirk Buxton's poll," released today.

To promote school spirit," Crowe said, one idea is to sponsor arts attendance between classes. Each student would be given a home sports event as one point for his attendance at away games. It would be worth two points. It would be kept for each class. Results would be announced at the close of each of the

press conference of the year.

Central-Jackson exchanges, these would hopefully be with bigger schools.

Both in his speech and in the question-answer period that followed, the new president expressed his hope to arouse Centralites to take a more active role

in all school activities. He especially stressed the need for cooperation between homerooms and their Student Council representatives for the council to function properly.

Members will be expected to inform their homerooms of what

transpires at each meeting. Students will be asked to make more suggestions and comments. Meetings will be held in the room this year. All Centralites are invited to attend and are recognized to speak if they

SC Compiles '68 Handbook

The student handbook compiled by the Student Council and edited by Mr. Charles House, Schools is "intended to help your (the student's) attendance here more profitable and enjoyable."

The handbook, the first in years, provides information pertaining to attendance, guidance, counseling, the use of the library, and vehicle parking. Among topics discussed are current activities, graduation requirements, inter-scholastic activities, and school policies.

Most Centralites agree. Becky Wills, 12B, in the handbook is "very beneficial in helping sophomores and new students to become acquainted with the activities and rules of the school." "It's great!" was the comment of Rita Heinbaugh. Some seniors and juniors expressed the idea that it would be useful for sophomores, but not for them.

Compiling the colorful handbook were members of the 1967-1968 Student Council. Lanny Barnes, sponsor of the handbook, also serves as an adviser.

Serving on the production committee were the chairmen Randy Sue Jackson, Peggi Reid, and graduates, and Mindy Foster. Committee members were Lotte Blattner, John R. Roger Call, 1968 graduate, James Kinder, Tara Kalkreuth England, Jane McGinty, Susan Neal, Barbara Yeager, Kaiser, and Gigi Ringland. (Related picture on page 4)

The Tiger Ascends To "All-Missouri"

The Tiger is one of 15 high school newspapers in the state to receive the an "All-Missouri" rating from the Missouri Interscholastic Press Assn. MIPA critiqued newspapers and more than 100 individual entries in the contest.

Editors of The Tiger who guided the staff in winning MIPA's highest journalistic rating were Libby Campbell and Montgomery, first semester.

Pam Froemsdorf and Jennifer Strom help the cub staff do the Junior High page.

According to Dr. Robert P. Knight, MIPA director, the conclusions found marked improvement by competing newspapers. Papers carried more solid news, spiced with features, but

without an overabundance of "cute" stories like the senior personality stories which probe the star student's favorite foods and pet peeves rather than his opinion on a current issue or his key in-

the mistake of not really covering advance stories. Everything comes out as being recent or cur-

rent history," the director pointed out.

Time For A Change

Since 1783, the minimum voting age in all but four of the fifty United States has been set at 21. (Eighteen-year-olds may vote in Georgia and Kentucky while Alaska and Hawaii give 19 and 20 year olds, respectively, the voting privilege.)

In 1968, however, the voting requirement of 21 years old is out-of-step with the fast pace of today's changing world. Through improved means of communication, today's 18 year old not only knows more about national and international problems than his parents did at a comparable age, but is willing to do something to help solve them.

Teenagers are actively involved in politics, supporting candidates of their choice for national, state, and local office—more than many adults ever are.

The nation's young people are working in the Peace Corps, Vista, and other phases of the war on poverty. They are interested in civil rights and equal opportunity.

Many 18 years olds pay income tax and some of them are married and have families. In fact, taxpayers under 21 are being "taxed without representation".

Twenty-nine per cent of the Americans who have died in the Vietnam War were under 21, but they weren't given a chance to vote for the man who sent them to fight.

Last June, Pres. Lyndon Johnson proposed a twenty-first constitutional amendment that would give ten million Americans between the ages of 18 and 21 the right to vote. As the President said, "The great majority of young people in America have demonstrated their maturity, their ability to participate and their zeal to serve . . . therefore we should move forward now to grant the vote to the 18 year olds."

Editor's Note: At the request of the Republican Party, Central's band was permitted to play at the rally for Maryland's Gov. Spiro T. Agnew. The band wasn't asked to play at previous political rallies. The present policy is to allow the band to play at only one political rally where a presidential or vice-presidential candidate is appearing.

The Future Teachers of America meets on Monday afternoons under the direction of Mrs. Mary Reed, but so far only three Centralites have shown any interest in the club.

The club is sponsored by the school to acquaint students with the duties of a teacher. If F.T.A. ever becomes established, it plans to help teachers grade papers during their free hours or after school.

This is a good chance to get not only honor points, but also experience in the teaching field. Let's see all of you Future Teachers in Room 217 S next Monday.

As an independent study project for Miss Inez Smith's English IV class, Senior Charles Holt wrote this ballad. Reminiscent of the death of Indian Princess Otahki, the ballad tells of the misfortunes

GIRARDOT STAFF

Members of the '69 Girardot Literary Staff were chosen through applications made in the spring. Plans for the yearbook began in the summer when five senior staff members and Mrs. Miller, advisor, attended a workshop at Missouri University. Assignments were given to staff members early in the year. Each page must coordinate into a unified picture of Central life.

Realizing that the Girardot represents the entire school and is a lasting record of this year, each staff member develops a high sense of responsibility and pride in his work.

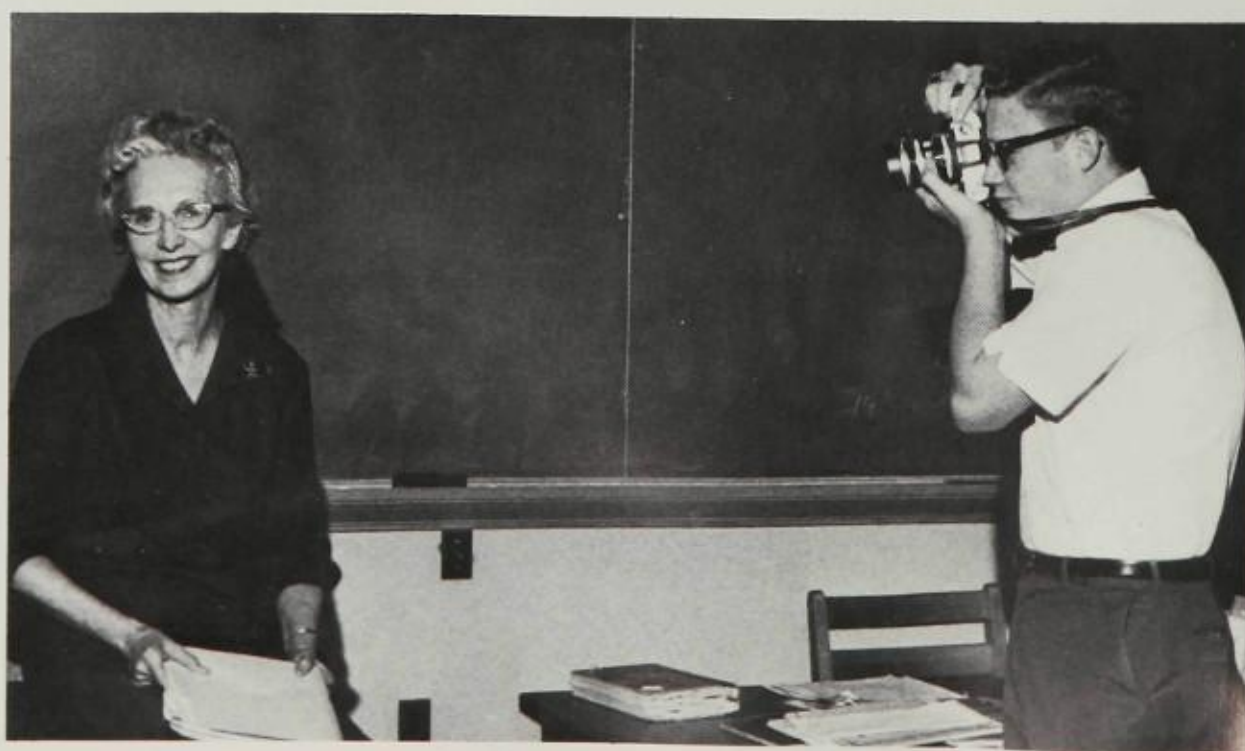

An evaluation of this year's book will be made each time a person opens the 1969 *Girardot*.

SCHOLARS OF THE CREATIVE ARTS

Members of *ART CLUB* put their talents to work. They painted Halloween scenes on the windows of Town Plaza, and enlivened the school halls with Christmas wreaths of pine branches and popcorn balls.

SILVER SPEAR delighted Central's audiences with the production, *Cheaper by the Dozen*. This dramatic club gives sophomores a chance to learn the skills of play production.

DISPLAY THEIR TALENTS

Harvey, the invisible rabbit, visited Central last year via the *RED DAGGER DRAMATICS CLUB*. Kerry Slinkard (left) portrayed Harvey's best friend and talked to him regularly. Plans are being discussed for this year's play, *Arsenic and Old Lace*.

SPANISH CLUB girls are making the witch UNICEF display for the library. After preparing Spanish foods for a banquet,

planning will begin with the other language clubs for the International Tea held this Spring.

COE (Cooperative Education) is state and nationally affiliated with the Distributive Education Clubs of America. All members take part in the school COE program. Many of the students went as delegates to a State Leadership Conference in Jefferson City last fall, and again to one in Columbia during spring.

Starting in January, the members chose an outstanding COE Student of the month. At the end of each year, a similar award was given by the Chamber of Commerce to Outstanding COE students, chosen by teachers and employers.

The club has future plans for publishing a small newsletter about its school and club activities to be given to affiliated employers, and to make a trip to St. Louis for a behind the scenes look at McDonnell Aircraft.

The club finished its year with an impressive employer-employee banquet.

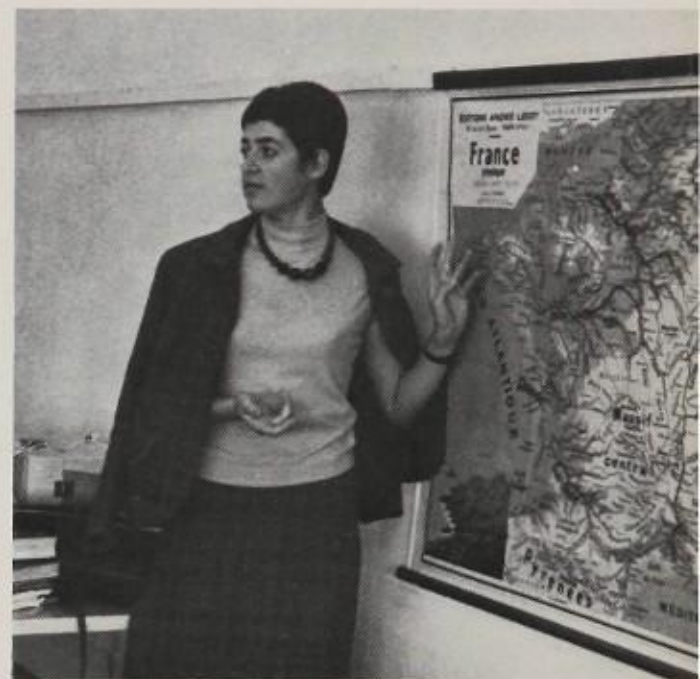

Joy Jackson sells a Tiger pen to Blake Esicar to raise COE funds.

FRENCH CLUB members brought the Mardi Gras spirit to Central with the traditional pancake Mardi Gras breakfast. Christmas spirit also went to the local school for handicapped children where members sang French carols. A spring presentation of the film "How To Steal a Million" provided financial help for the International Tea held later.

FOREIGN LANGUAGE CLUBS SPEAK OUT

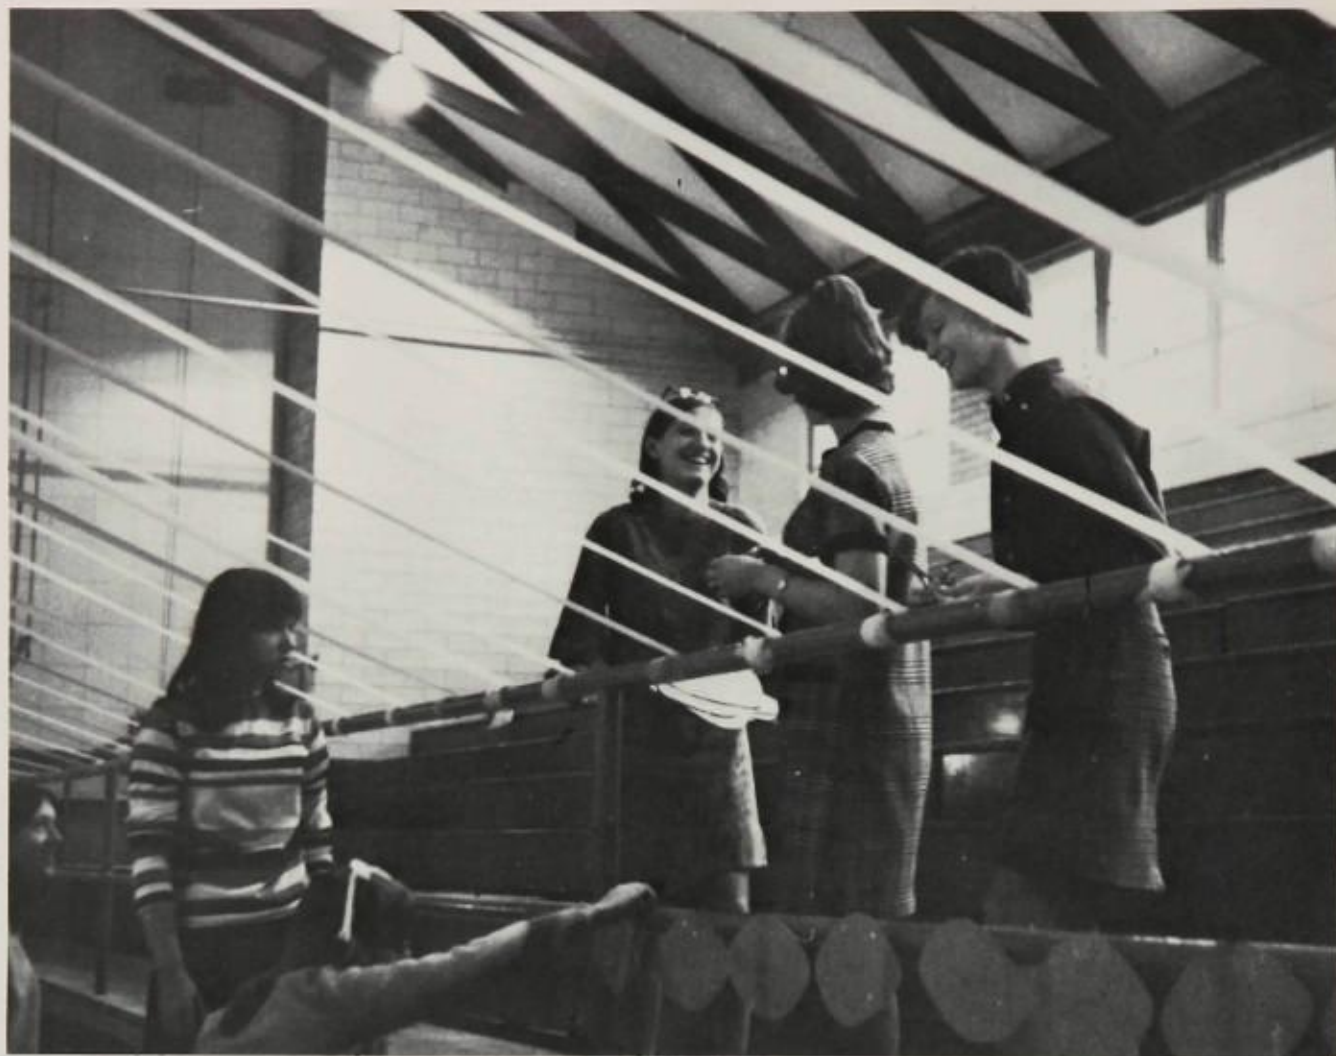

Annik Pédel, French exchange student from SEMO, speaks of her native country.

Behind all *LATIN CLUB* activities is thoughtful planning. As a result their picnics, guest meetings and traditional Latin Banquet have always been a success.

TIGERETTES, in new uniforms, cheered our team to victory. A black corduroy jumper was selected and a plan for the use of flip cards and chants was looked into. Time and effort went into both Football and Basketball homecoming activities to make them the most memorable.

VICA (Vocational Industrial Clubs of America) is a National Youth Organization for those enrolled in vocational subjects. It brings youth together with common interests so they can exchange ideas, discuss problems, and share common purposes. One goal of VICA is to help students with interest in the trade, technical, industrial, or health fields become mature, productive citizens.

Organized locally under one club, each vocational subject functions as an independent club. This provides for the common interest of an occupation along with the union of occupations into a strong common purpose.

CLUBS DRAW RECORD MEMBERSHIP

HOME EC CLUB, known to its gourmet members as Creative Culinary Club, meets twice a month to prepare their favorite dishes. Doing the whole job, members also clean up after the fun.

CENTRAL SCIENTISTS EXPLORE

FUTURE TEACHERS OF AMERICA used the new grading machine in helping teachers with test papers. On October 23, the SNEA at the College sponsored a tea which members attended.

Liz Seabaugh, Pat Ervin, and Susan Neal score test papers.

CHEMISTRY CLUB held a discussion following a field trip to the water works at the SEMO Hospital. Members selected science films for regular meetings.

Charlene Proffer and Daniel Mohorc refill a beaker and continue the experiment.

OLD AND NEW IDEAS

MEDICAL SCIENCE CLUB, in reaching those students considering a future in the field of medicine, planned a program of films, special guests, and field trips. These activities kept the club on the move until the "end of school" party.

CHESS CLUB traveled off campus for the first time to match with Notre Dame. Coming home with a victory, they spent their meetings in practice for the rematch.

Leonel Arauz, exchange student from Guatemala, moves his pawn to position.

DEBATERS WORK TOWARD

DEBATE CLUB became very active during the '68 Presidential campaign, participating in a mock-Congress election at Sikeston. Debates were staged with Paducah and Murphysboro over the issue, Resolved: A system of compulsory national service should be adopted by the U.S. Also an interscholastic contest of Dramatic Interpretations took place between Notre Dame and Central here.

MATH CLUB members brought their troubling homework problems to try the wits of their sponsor, Mrs. Prall. Mathematical puzzles, like cutting Mobius Strips (shown above), proved interesting for an afternoon of math.

NFL ACCEPTANCE

PHOTOGRAPHY CLUB learned new techniques in photography. Experimenting with lighting and different cameras, the members work on better pictures for the *Girardot* and *Tiger*.

Gale Chapman, Kerry Slinkard, and Mary Ann Carlton were chosen by the senior class to serve as president, vice-president, and secretary-treasurer, respectively.

ACADEMICS

THE BOARD OF EDUCATION

The Board of Education is challenged by the problems of a rapidly growing school and community. The decisions of this body direct a complete educational program for Cape Girardeau students. During the 1968-69 school year the Board of Education concerned itself with financial propositions and measures for redistricting. The Physical Education curriculum throughout the school system underwent total revision. The Board of Education strives to benefit the Cape Girardeau student body. We at Central appreciate both the work and devotion of these dedicated men and women.

TWELFTH GRADE ENGLISH CLASSES

The English Program is designed to provide each Centralite with the implements of self-expression. This year twelfth grade English classes made use of the independent study plan. The acquisition of a battery powered miniature tape recorder allowed English teachers to grade themes orally with better than average results. Students of *Journalism II* composed news scripts for weekly taped radio broadcasts.

Foreign Language continued to offer insight into different languages and cultures. Foreign exchange students frequented classes, presenting various aspects of their countries to Centralites. French IV students edited and distributed a French newspaper.

Home Economics
Department Head

The Home Economics Department offers a variety of courses assisting girls in preparation for home management. A wide array of opportunities exist for girls who choose Home Economics for a career.

PRACTICAL SKILLS LEARNED NOW

Janice Welter, Karen Ponder, and Kathy Smith are busy preparing a meal in Home Ec.

Central's Department of Special Education, which includes the Cooperative Work-Study Program, is planned to provide educational and vocational opportunities for students according to their individual interests and needs.

SOUTHERN ANNEX HOUSES INDUSTRIAL ARTS PROGRAM

For the first complete school year, the Industrial Arts Department enjoyed the advantages of the southern annex. The increased area was matched with an abundance of new equipment. Students were able to advance their knowledge of metal and welding, woodwork, basic drafting, and electronics.

While relaxing, Richard Pletcher contemplates his work.

In 1969 the Vocational Building amplified enrollment and facilities as it became an area school. Students from five additional schools benefitted from the expanded curriculum. In coming years it is anticipated that the Vocational Building will further extend its services to the community. Modern up-to-date equipment has been acquired to assure the student of a total vocational education.

The Driver Education. Program modernized its approach in producing the safe, cautious driver. Twelve driving simulators were utilized by students to gain the experience necessary in handling an automobile.

Central Physical Education classes confronted daily a diversity of new equipment and teaching techniques. For the first time co-educational classes of volleyball and dancing were conducted. Bowling became a welcomed addition to the intramural activities.

Health continued to offer the student a basic understanding for maintaining a strong mind and body.

Cafeteria Staff From Left to Right: Muriel Kelley, Mary Lewis, Aleene Wampler, Ruth Crites, Hilda Heise, Jose Schuessler.

Mrs. Fischer's bright smile welcomes a hungry student after a hard morning in class.

When sickened from too many sit-ups, lab fumes, or biology dissections, the student in distress finds sympathetic help from Central's nurse, Mrs. Truckey.

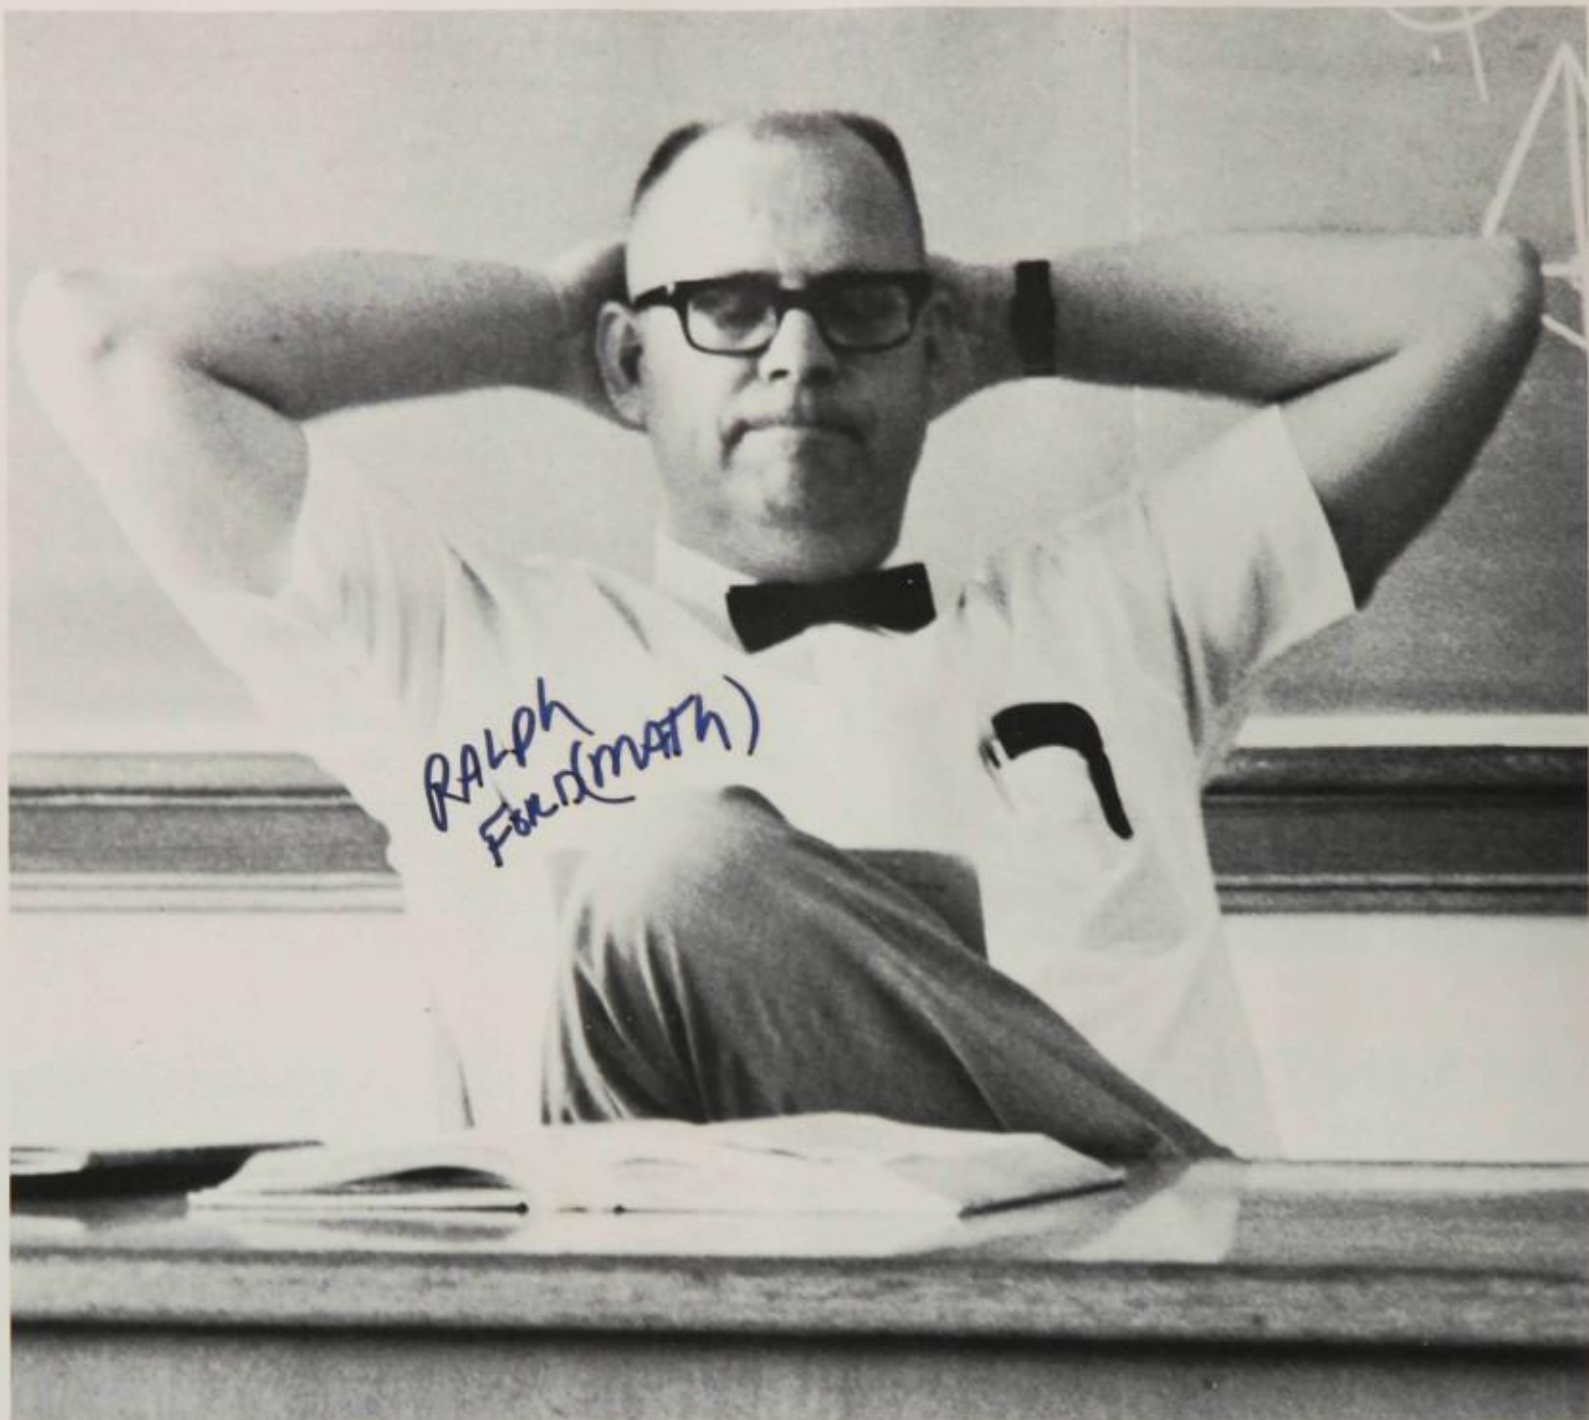

What goes on behind the lunch lines? Well there's plenty of action! The cooks at Central prepare the well-balanced meals plus all the extras on the a la carte line. They know what it takes to keep Central alive and running in good condition.

Everybody knows how hard the janitors work all day, but what goes on at night? A night shift moves in and prepares the rooms for the next day. Without the maintenance staff, Central could not function as it does.

Juniors study the past, but make the future. They are being educated at a time when the world cries, "Do your own thing!" and they do it.

Juniors find individual improvement through studies, sports, and achievements. At the same time, juniors support their Class of '70, and their Tiger spirit rebounds off every wall.

Seventh hour ends at 3:17, but Central's day goes on. Juniors are involved in clubs, dances, games, programs, car parades, Student Council, debate, and homework.

Throughout Central and Cape, juniors make the scene!

JUNIOR YEAR?

The Class of '69 has taken the helm and kept Central moving in an ever-increasing pace. Through this three-year journey they have gained a wider perspective of the world around them and have become richer in experience and knowledge.

They may end this year with a feeling of nostalgia, but with a great expectancy for the future—a future which holds promise for this hard-working class.

PROM HIGHLIGHTS

In a time of banana curls and long sideburns, mini-skirts and bell-bottom trousers, the Class of '69 completed their three year journey. Seniors led Central winning the Canned Food Drive and attaining the highest percentage of attendance at sports events. The Christmas Bazaar to the theme of *The Little Country Store* was a money-making innovation sponsored by the Senior Women. Queen Janice Seabaugh reigned over the 1969 Senior Prom which was truly *Some Enchanted Evening*.

I Love Thee, Alma Mater, Central High,
Thy Walls and Halls So Dear.

Each Memory of Happy Days Gone By,
Brings Back Glad Thoughts of Thee.

I Love Thy Colors Proudly Flying,
I Am Proud of Tiger Fame.

To Thee I'll Ever True and Loyal Be,
